Subject: Written reason requested for my Carnival ban

My name is Richard Shillington. I am a Carnival Cruise Line customer and a Carnival investor and shareholder. I am also a Diamond guest under the old VIFP rules. Because I was banned before I could opt into the new spend based Carnival Rewards program, I remain Diamond for life under the old rules, a status your president created by banning me when she did.

On November 23 I spoke by phone with Art Loynaz, your Senior Director of Security Services. On that call he confirmed that my ban was an executive decision, that it was not for drugs or alcohol, and that there is nothing security related on my end. He could not give me the reason.

The call is recorded here https://youtu.be/OZya9Za617w

I have also put the question to Ms. Duffy directly, on the record, in a public video here https://youtu.be/dTxBc37Mnpo

And one more thing, offered in a spirit of peace. Ms. Duffy and I have already sung about this together, in an AI duet called Whatever Happened to the Fun Ships, with Keith Retson-Spaulding on piano. It is here https://youtube.com/shorts/TmFKjwwkb7Y

The full music video is here https://youtu.be/PLw4XmKll28

The sheet music is here https://drive.google.com/file/d/1JtdUZp1bzUVRgDMSAYGOfqivsEcnHojt/view?usp=drivesdk

Before this decision, my channel The No Pants Show published 288 long form Carnival videos totaling 1,103,727 views, plus about 490 Carnival Shorts, the 41 in the channel's top 500 adding 520,475 views, for a combined verified floor of 1,624,202 views and 178,616.91 hours of verified watch time. That is about 26 percent of all watch time ever recorded on the channel, and it was advertising Carnival never paid for.

I have never been given a reason for this ban in writing. I am asking for it directly now. Please send me in writing the reason I am banned from Carnival Cruise Line, the date the ban was imposed, and who made the decision.

The other way this ends is full reinstatement, with all of my casino offers still intact, confirmed in writing.

If Carnival will do neither, please confirm that refusal in writing as well.

As I say in the video, if the board cannot produce a good reason for this ban, it should ask itself whether Ms. Duffy should remain in her role.

I have also put the question to Ms. Duffy directly, on the record, in a public video here https://youtu.be/dTxBc37Mnpo

And one more thing, offered in a spirit of peace. Ms. Duffy and I have already sung about this together, in an AI duet called Whatever Happened to the Fun Ships, with Keith Retson-Spaulding on piano. It is here https://youtube.com/shorts/TmFKjwwkb7Y

Before this decision, my channel The No Pants Show published 288 long form Carnival videos totaling 1,103,727 views, plus about 490 Carnival Shorts, the 41 in the channel's top 500 adding 520,475 views, for a combined verified floor of 1,624,202 views and 178,616.91 hours of verified watch time. That is about 26 percent of all watch time ever recorded on the channel, and it was advertising Carnival never paid for.

I have never been given a reason for this ban in writing. I am asking for it directly now. Please send me in writing the reason I am banned from Carnival Cruise Line, the date the ban was imposed, and who made the decision.

The other way this ends is full reinstatement, with all of my casino offers still intact, confirmed in writing.

If Carnival will do neither, please confirm that refusal in writing as well.

As I say in the video, if the board cannot produce a good reason for this ban, it should ask itself whether Ms. Duffy should remain in her role.

Subject: Written reason requested for my Carnival ban

My name is Richard Shillington. I am a Carnival Cruise Line customer and a Carnival investor and shareholder. I am also a Diamond guest under the old VIFP rules. Because I was banned before I could opt into the new spend based Carnival Rewards program, I remain Diamond for life under the old rules, a status your president created by banning me when she did.

On November 23 I spoke by phone with Art Loynaz, your Senior Director of Security Services. On that call he confirmed that my ban was an executive decision, that it was not for drugs or alcohol, and that there is nothing security related on my end. He could not give me the reason.

Before this decision, my channel The No Pants Show published 288 long form Carnival videos totaling 1,103,727 views, plus about 490 Carnival Shorts, the 41 in the channel's top 500 adding 520,475 views, for a combined verified floor of 1,624,202 views and 178,616.91 hours of verified watch time. That is about 26 percent of all watch time ever recorded on the channel, and it was advertising Carnival never paid for.

I have never been given a reason for this ban in writing. I am asking for it directly now. Please send me in writing the reason I am banned from Carnival Cruise Line, the date the ban was imposed, and who made the decision.

The other way this ends is full reinstatement, with all of my casino offers still intact, confirmed in writing.

If Carnival will do neither, please confirm that refusal in writing as well.

As I say in the video, if the board cannot produce a good reason for this ban, it should ask itself whether Ms. Duffy should remain in her role.

Subject: Written reason requested for my Carnival ban

My name is Richard Shillington. I am a Carnival Cruise Line customer and a Carnival investor and shareholder. I am also a Diamond guest under the old VIFP rules. Because I was banned before I could opt into the new spend based Carnival Rewards program, I remain Diamond for life under the old rules, a status your president created by banning me when she did.

On November 23 I spoke by phone with Art Loynaz, your Senior Director of Security Services. On that call he confirmed that my ban was an executive decision, that it was not for drugs or alcohol, and that there is nothing security related on my end. He could not give me the reason.

The call is recorded here https://youtu.be/OZya9Za617w

I have also put the question to Ms. Duffy directly, on the record, in a public video here https://youtu.be/dTxBc37Mnpo

And one more thing, offered in a spirit of peace. Ms. Duffy and I have already sung about this together, in an AI duet called Whatever Happened to the Fun Ships, with Keith Retson-Spaulding on piano. It is here https://youtube.com/shorts/TmFKjwwkb7Y
